Employee Retention Tools

People helping people...*it's what we do best.*

Evaluate. Understand. Communicate.

Your Employee Satisfaction

Partner

Happy employees equal productive employees, but generating employee satisfaction can be a challenge. We can provide you valuable resources to help you gauge employee satisfaction and adopt strategies to improve your company's overall employee satisfaction rate.

Our Tools for Your Success

We have the resources and tools to help you create a positive work environment and facilitate a good employee-company relationship to promote increased employee satisfaction.

Employee Surveys

The best way to measure employee satisfaction is to ask. We offer surveys to solicit employee feedback, which will help you make appropriate changes to increase employee satisfaction.

Employee Communication

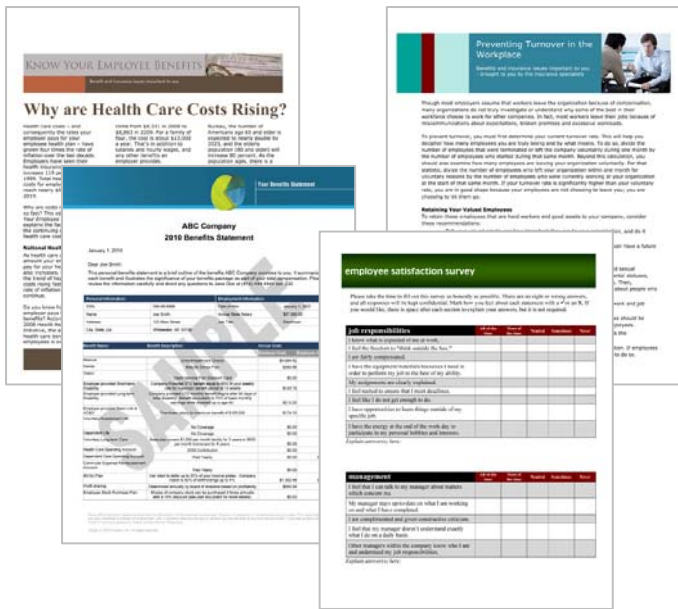

Employer-employee communication is the cornerstone of a positive relationship between the employee and company. Employees want to be informed on benefits information, policies and procedures, and other information relevant to them. We can help you in this endeavor with various documents to fit your employee communication needs.

Employer Education

We can also offer you a wide selection of documents providing you with tips and strategies for boosting employee satisfaction and morale, and preventing turnover.

Open Enrollment

Benefits are a huge cost to an employer and it important to communicate these benefits to your employees in a clear concise manner. We can help!

About Kapnick

At Kapnick Insurance Group we realize that insurance is ever changing and complex. That's why our core purpose is to simplify the insurance process in order to continuously meet our clients' needs and interests - all while lowering their over-all total cost of risk.

How do we do this? We continuously invest in **cutting edge products and technology** which provide our insurance professionals with an impressive range of resources. Each client's unique needs and goals are examined closely by a dedicated service team who put their combined knowledge and industry experience to work. Piece by piece, they break down the many complex facets of insurance into easy-to-understand components and present a simplified insurance program.

The result? A comprehensive insurance program you can understand - backed by a firm you can rely on.
